## ANNUAL SIGN PROGRAM

The Somerset Academy Music Department is asking for your help and support in order to raise funds for our music programs. We are a non-for profit public elementary through high charter school. We perform and compete in district wide competitions through the Florida School Music Association and Florida Band Masters Association. Each year the music department is responsible for raising the funds to help cover the costs of such an elaborate program. In order to do so we are selling advertising signs and all proceeds will directly benefit the music department. Our band program has grown to about 150 students. For the last couple of years we have received the top level recognition from the county and earned the state Championship title in the 2A division in 2013. We look forward to competing once more in hopes to win the title once more.

All signs will be displayed prominently on the fence along the main entrance to the campus and will remain there for one year (excluding summer). They will be up everyday during the regular school year in a position so that every parent of our 2,500 students will have the opportunity to view the signs.

Standard size signs are 5 by 3 feet. Please supply us with the necessary artwork to construct and mount your sign or we can use our standard format. Email Mrs. Ortega with the artwork and wording you would like to use.

If you have any questions please feel free to contact the band director at [tortega@somersetacademy.com](mailto:tortega@somersetacademy.com)
